Polish Studies: Today and Tomorrow (4)

Thursday 8 and Friday 9 September 2022, by Zoom

The British Association for Slavonic and East European Studies (BASEES) is holding its annual multi-disciplinary conference on Poland on 8-9 September 2022.

Papers are invited on any aspect of contemporary Poland, Polish history or Polish migration, including migration to/from Poland. You don't have to be a BASEES member, or based in the UK, to participate in the conference.

The conference will provide a forum for researchers, at all stages in their academic careers, to exchange detailed ideas about work in progress. Each speaker will have 40 minutes for their presentation and discussion.

Please send your proposed title and an abstract of up to 250 words to Anne White, UCL SSEES Professor of Polish Studies, at anne.white@ucl.ac.uk.

Deadline: Wednesday 13 July 2022.
